

# Festive Embroidered Jumper

Embroidery & Decorative Embellishment

garment of choice / four festive sentiments

two sizes of stitch diagrams & placement reference on following pages

Give your favourite plain jumper a touch of handmade cheer with simple stitched lettering!  
This project is a quick and creative way to make your outfit feel extra festive.

## Fabric Requirements & Supplies

- [1] your chosen jumper or sweatshirt
- [1] printable embroidery paper (like Print Stitch Dissolve™ by Pellon®)
- [1] Cotton 12wt, Cotton 8wt, or Cotton Floss in your favourite holiday color
- [2] hand embroidery needle of choice
- [1] small embroidery hoop— optional
- [1] cool water & towel

## Method

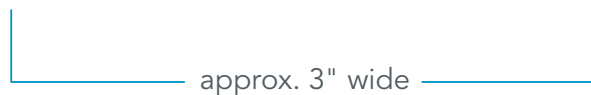

- [1] **Print your design**— print your chosen festive phrase onto Print Stitch Dissolve™ by Pellon® or similar printable embroidery paper.
- [2] **Position the Design**— cut out the phrase & place it along the neckline of your jumper. Lightly press or pin in place.
- [3] **Stitch It Up**— using your favourite Aurifil thread (Cotton 12wt, Cotton 8wt, or Cotton Floss), embroider directly through the paper & fabric. Simple stitches like backstitch, chain stitch, or stem stitch work beautifully.
- [4] **Dissolve the Paper**— when finished, rinse the stitched area under cool water until the paper fully dissolves.
- [5] **Dry Gently**— blot excess water with a towel & lay flat to dry completely.
- [6] **Wear & Enjoy!**— slip on your jumper & show off your festive flair: handmade, personal, and full of holiday spirit!
